

Frogmore Dance School

Newsletter

Hello Everyone,

Easter 2014

It has been a very exciting time since Christmas with preparation for our Showcase which is now well underway. Most class routines are now finished and are now being polished in class. I would like to thank everyone for the support you have shown me since taking over the school. I hope that everything so far has been to your liking, please do not hesitate to contact me if you have any queries.

Can I take this opportunity to ask everyone to re-read through their show letter, if you have misplaced your copy, it can be downloaded through the downloads tab on the website.

If for any reason a student is being picked up from the show by anyone other than their parents, I must have written permission for this before the show day.

Show costumes will be coming out to students after the easter holidays, please take care of these as these have all been newly bought for the school. **Please can parents check the notice in reception and correct any spelling mistakes for the show programme, this will be going to print very soon! If you haven't ordered your tickets yet, please fill out a tickets order form and return it to me as soon as possible as we are beginning to run low on seats. Please be aware I cannot add in any extra seats due to fire regulations and so once they are gone they are gone.**

At our Showcase there will be a programme available as well as a raffle and refreshments, unfortunately we can only accept cash on the day. All proceeds from these items will be put back into the school.

I am hoping that we raise enough money to purchase some glassless mirrors for the school. These are not only safe for the children too be around but an extraordinary effective teaching aid for the students to be able to see what they look like when they dance and how they can improve their technique.

I would like to thank those parents who have volunteered their time to help with the show and look after students while onsite at the Showcase. The show really wouldn't be possible without you! Only these authorised helpers will be allowed in the changing room. This is due to the venues fire restrictions and also for safeguarding.

Once the show is finished, classes will go back to normal, working on syllabus work for those it applies, and towards exams. Our Musical theatre class will continue to work on vocal technique, drama skills and games, movement and working as a team. Exams will be available in this class for those who wish to take them. The Summer term will be split into a 5 week half term and a 7 week half term, this is due to where educational schools half term falls, and so term 5's invoice will be 5 week's of classes and term 6 will be 7 weeks of classes. It will be another exciting term with some new classes being introduced and some of our students performing at local fairs and fates. Please help us to continue to spread the word about Frogmore. Anyone who introduces a friend, who then takes classes with the school, will receive a 5% discount off their next invoice!

Please Check the new timetable for after the easter holidays on the reverse of this newsletter, as there have been some changes!

If you need to contact me over the Easter Holiday, could I ask that this be done through email as I am away. I am not sure what internet access will be like but I will endeavour to reply as soon as possible.

Don't forget!
