Hello Everyone,

Term Six (May) 2014

Well what a few weeks it has been! I am so very proud of all of our students, the way they performed and behaved during the whole day really did make it a privilege to have them there. I would like to take this opportunity to say a huge thank you to each and every one of you for getting our students to both the rehearsals and the show on time and without any issues! I really could not put the showcase on without the support of you all, so thank you. I really hope you enjoyed the show, I have been busy beaver away the last three days editing the video footage we had from all of the shows and this will be available for purchase through the order form attached to this letter. Through your very kind donations, raffle tickets, refreshments and our "Hook a swan on swan lake" which we held at Yateley's May Day Fair, we have managed to raise a massive £499! This means we are very near our target to get two large portable glassless mirrors which will help each and every one of our students. We hope to be able to purchase these over the summer break so they will be ready for students on their return to classes in the new school year.

As I have just mentioned we attended Yateley May Day Fair which was on the 5th of May. We had a stall with our "Hook a swan on swan lake" competition which saw the Frogmore Dance School reinvention of the classic "Hook a duck". As well as this we also had some of our Senior and Junior students perform twice, to large crowds in the arena. All of the students performed amazingly for their first time in this environment. We also held a competition to win six weeks of free dance lessons, the winner of this has been contacted and should be attending soon! Coming up over the next few months we will also be attending two other fates, the Hawley Church Fate and Frogmore Juniors & Infants Summer Fate. We hope to see you down there and if you pop by you can enter our competition for six weeks of free dance lessons!

A Second hand list has been introduced to the Frogmore Folder in reception. Please feel free if to put any second hand uniform on here with a price and contact details.

Looking to the future I have now started returning classes to normal, with syllabus work commencing for the effected classes. Examination sessions are also approaching and we are looking to enter some of our students in for their IDTA examinations around Christmas time and other students in for their ISTD examinations next Easter, dependant on student progress. I will have more details regarding these soon.

In less positive news I have unfortunately had to stop our DanceFit sessions, which were on a Tuesday night due to falling numbers. However the new adult tap class we have introduced has had great numbers so far and we are hoping to be able to bring more adult classes along soon. So if your interested in trying something out please let us know and we will see what we can do!

The will be no dancing on Saturday the 19th of July as we are unable to have the hall and so next half term Saturday classes will only run for six weeks instead of the Seven. Other classes will be unaffected with the exception of there being no Adult Tap on June 3rd. Invoices will reflect this, so please don't worry.

Finally please keep an eye out for us in the Yateley News and Surrey & Hants, Star & Courier news papers this week!

Don't forget!

There is no dancing on Thursday 22nd May due to Voting.

New Classes!!
